**Environment Focus:**

We are pleased to report that we have recycled 98% of our site waste this previous quarter!

We are continuing to progress well, with the exterior walls nearing completion and hard landscaping around the building commencing. Inside, we are undertaking the final decorations and floor laying, ready for the School to take occupation in August.

We continue to work in strict accordance with the Government's Covid-19 guidance for construction projects, social distancing and operatives wearing PPE where tasks can only be undertaken in close proximity to each other.

**Hours of Work:**

7:30 – 18:00 Monday to Friday

8:00 – 16:00 Saturday

**Supporting the Community:**

- To date we have provided;
- 4No. Student work placements
- 1No. Site manager apprentice
- 7No. Electrical and plumbing trade apprentices
- 1No. Carpentry apprentice
- Engaged with 120No. pupils from the School
- Encourage operatives to use local shops
- 53% of our workforce live <40 miles from site
