|  <p>Stockwell:</p> |  <p>World War II:</p> |  <p>World War II:</p> |  <p>Amazonian adventure:</p> |  <p>Mayan Mayhem:</p> |  <p>Production:</p> | |
| | | <p>LI: To evaluate the taste of market products. LI: To use market research to develop design criteria for a soup. LI: To select ingredients to use in a WW2-inspired soup explaining how and where these ingredients are grown and processed. LI: To adapt a traditional recipe understanding that the nutritional value of a recipe changes if you remove, substitute or add ingredients (write recipe). LI: To cut and prepare ingredients safely understanding cross-contamination. LI: To use all equipment safely and hygienically. LI: To evaluate a product using taste testing to consider flavour, smell and texture. Purpose: Make a soup that can be used as a recipe if food was rationed.</p> | | | <p>LI: To research and design a small Mayan city-state, including key features. LI: To select appropriate materials according to their functional properties. LI: To measure, cut and build frameworks using a range of materials and structure shapes. LI: To apply their understanding of how to strengthen, stiffen and reinforce more complex structures. LI: To use a range of materials to ensure a realistic Mayan representation of the prototyped city-state. LI: To evaluate the prototype and suggest improvements. Purpose: Make a prototype Mayan city-state as a plan for an educational site to learn about Mayan culture.</p> | <p>LI: To design a scenic backdrop for the production chosen. LI: To use and apply principles of painting on fabric. LI: To outline and paint a scenic backdrop on fabric for the production. Purpose: Make a backdrop to set the scene for a theatre production. LI: To design props needed for the production. LI: To evaluate designs and creations and suggest further improvements. LI: To apply knowledge of mechanisms and structures to create props for the production. Purpose: Make useable props for a theatre production.</p> |
